AVAILABILITY

The non-denominational Chapel is available for weddings to anybody, regardless of religious background. The Chapel is open May through September. Off season events can be scheduled weather permitting. We winterize the Chapel October 1 through April 30 so water is not available during those months. However limited heat and electricity are available. The parking lot is not plowed so there is limited parking available during the winter months.

SCHEDULING

Weddings may be scheduled anytime Monday through Saturday throughout the day between the hours of 9am and 8pm with a maximum of 3 events scheduled per day. A minimum of three hours will be reserved for each wedding. All services must finish within the scheduled time block to allow cleaning for the next event. Should you know of any reason you might need more time, please specify on your application, there will be an additional charge for extra time. Rehearsals may be scheduled to begin between the hours of 9:00 am and 7:00 PM on the day before the ceremony, provided there are no other scheduled events taking place. One hour will be reserved for the rehearsal. Wedding ceremonies have priority over the scheduling of rehearsals.

Due to the large number of weddings scheduled at the Chapel, punctuality is imperative.
